Christmas Wish Project

Each year St. Mary's Day School and Church participate in the Bellville Christmas Wish Project. Christmas wish tags with kids' ages and their wish list item will be hanging in the church foyer right before the Thanksgiving Break. If you want to participate, you take a tag from the tree and purchase that item and return it unwrapped with the tag attached. I get them all over to the group who wraps them. I will send additional information once I receive the wish list items and the tags are hung.
